ELEGANCE & SOPHISTICATION

All of the elegance and sophistication of a custom built Thomas Riley interior is now brought to the last frontier of your home.

Offering our uncompromising standards in three distinct lines: *Artisan Collection*, *Nouvel*, and *Logic*.

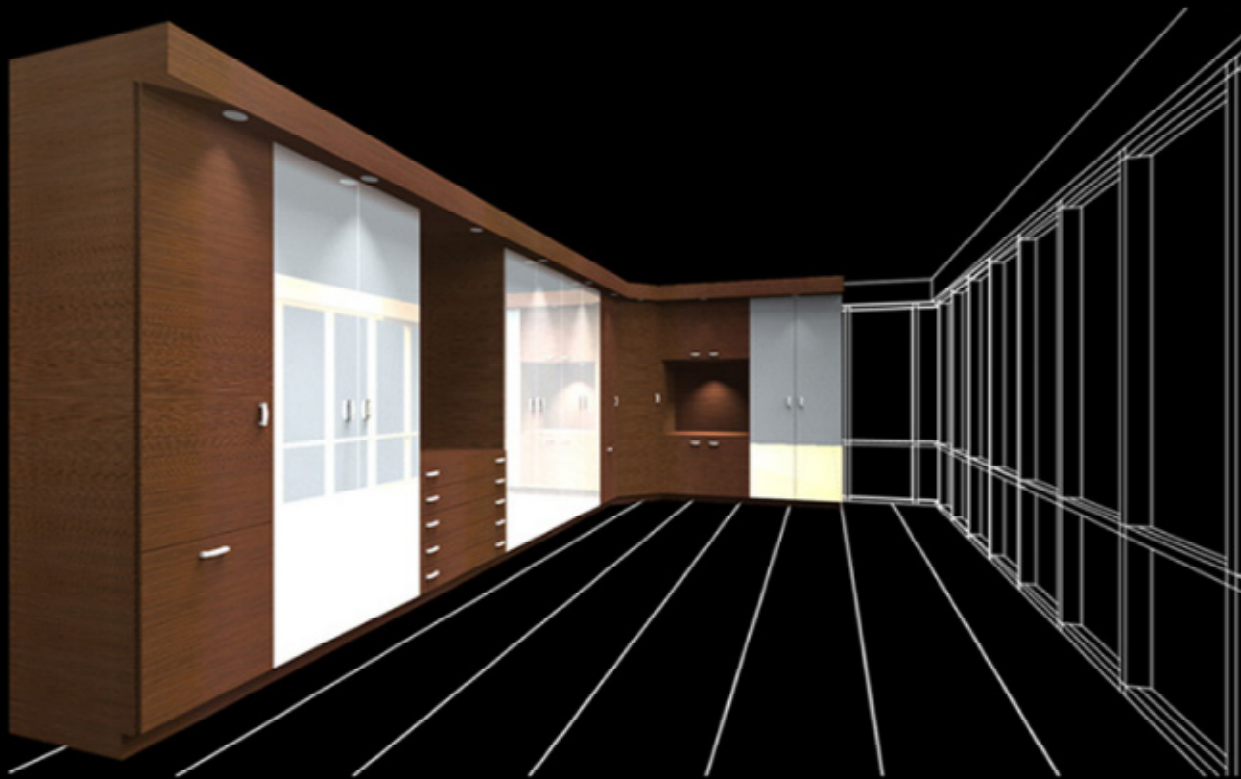

Closet and wardrobe solutions tailored specifically for your most intimate possessions.

LOGIC

Logic is an open wardrobe system ergonomically designed for maximum flexibility. Defined by its clean architectural styling and a less-is-more sensibility. Logic is truly the most versatile home organizational solution.

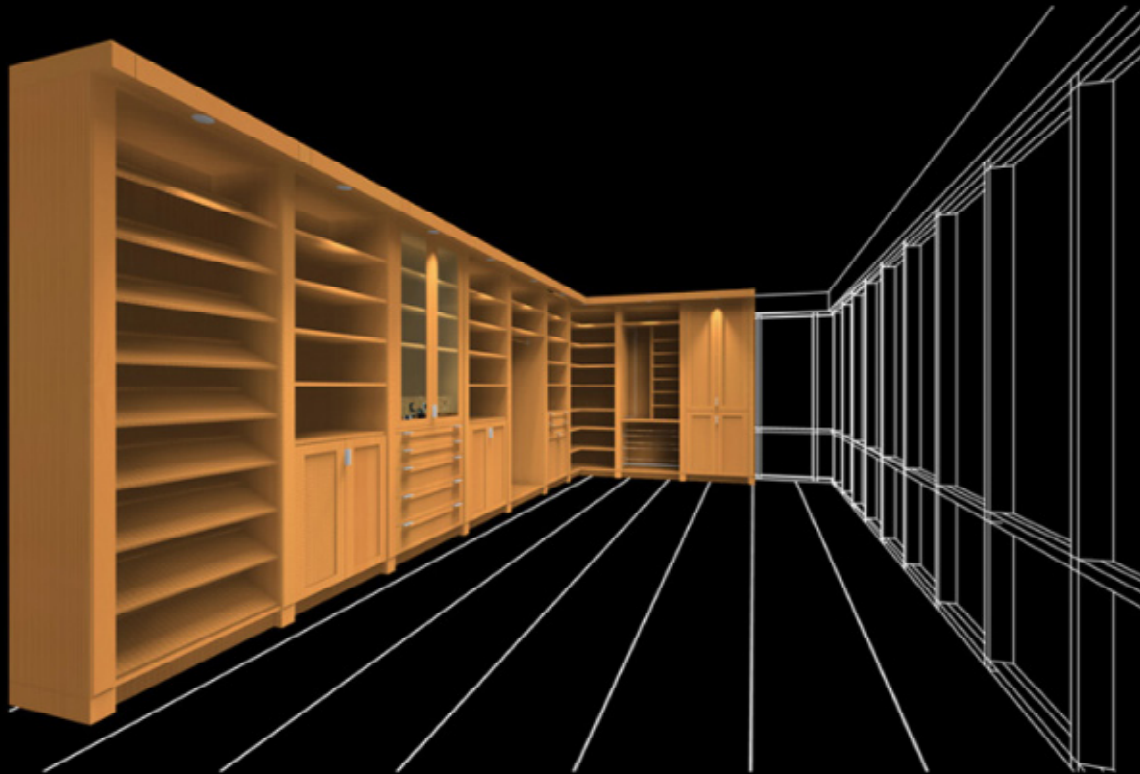

NOUVEL

The European inspired Nouvel closet line exemplifies modern elegance. A closed door system of real wood construction with a beautifully veneered flush, flat panel façade; also available with high-gloss back painted glass.

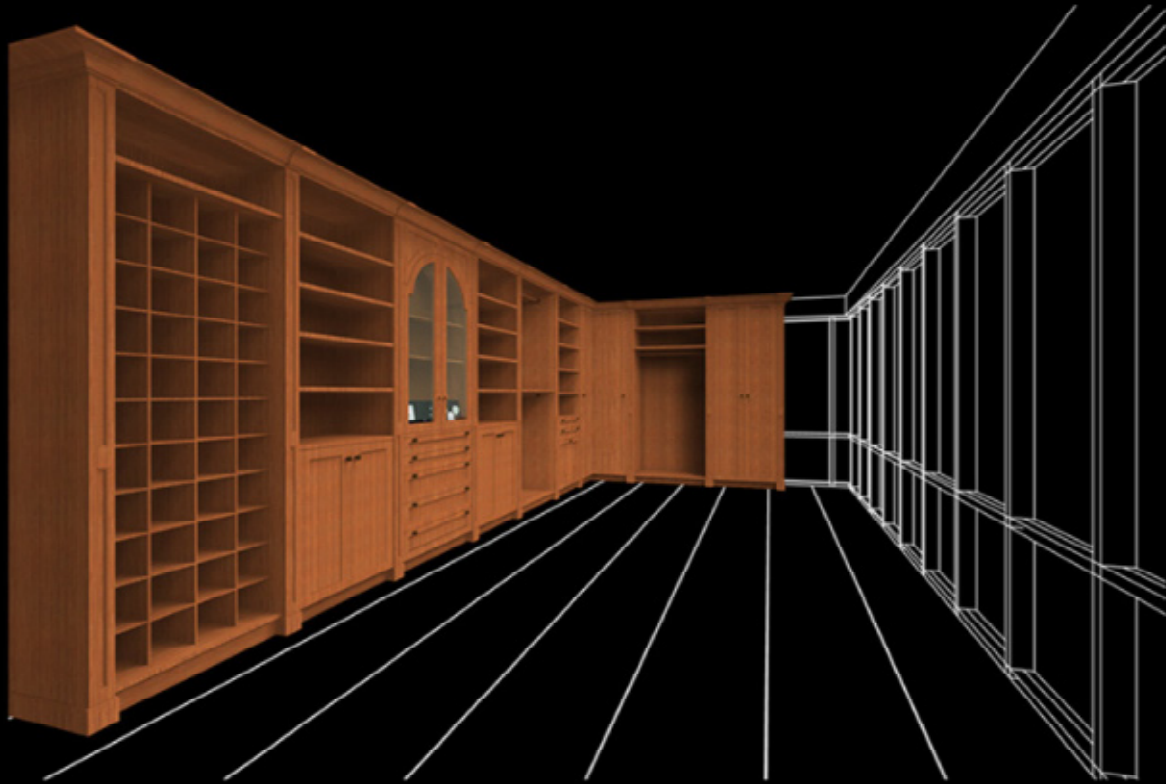

ARTISAN COLLECTION TRANSITIONAL

The flagship collection of Thomas Riley Artisans' Guild, Transitional is a sophisticated blend of modern and traditional elements. A real wood, closed door system with recessed panel details, lighted valance, and furniture quality finishes. Luxury upgrades and accessories available.

ARTISAN COLLECTION CLASSIC

The flagship collection of Thomas Riley Artisans' Guild, Classic embodies all of the elements of a custom designed wardrobe. A real wood, closed door system with raised or recessed panel details, crown molding, and furniture quality finishes. Luxury upgrades and accessories available.
